

HELP LITTLE EVA!

Alliston & District Humane Society faces huge challenges when it comes to covering the medical expenses of animals in their care. Even the cost of spaying and vaccinating a healthy animal far exceeds the adoption fee we collect for each animal.

A case in point is little Eva, a friendly, healthy one year old calico female cat who was being fed as part of a stray and feral colony of cats by a resident of Tosorontio township. She was brought into our care on a cold weekend in February 2010. She had a broken leg, which probably occurred when she sought shelter under the hood of a warm vehicle and caught her leg in a fan belt. Since ADHS is a no-kill humane society, we authorized a critical surgery to correct a spiral fracture of her left femur. She will need lots of time and tender care to recover; by the time she is ready for adoption, her medical bills will exceed one thousand dollars!

If you'd like to help us with the cost of Eva's surgery and rehabilitation, donations can be made at www.allistonhumane.com or mailed to Box 378, Beeton, Ontario L0G 1A0. ADHS can be reached at 705-458-9038 or at wendyh@idirect.com.
